

Ford Bronco Raptor Request Form

Please note: *This form must be completed by the individual picking up the 2023 Grand Prize Vehicle (the Ford Bronco Raptor) and returned to the Jim Click Millions for Tucson Raffle Management Office.*

This year, the Jim Click Automotive Team is making the Ford Bronco Raptor available to participating Charities for events to maximize ticket sales. The process will be slightly different this year so please read the following carefully before filling out and returning this form.

Bronco Raptor Rules

- Any participating Charity can request the Bronco for **one** event during this year's raffle.
- The Bronco must be picked up and returned by a Charity representative.
- The individual requesting the Bronco **must be** the individual picking up and returning the Bronco. No exceptions. It will not be delivered by the Jim Click Automotive Team.
- That individual must provide proof of valid insurance **AND** a valid Arizona driver's license. That individual **must arrive at least one hour prior** to when the Bronco will be driven off the lot for background checks on insurance, video walk-around, etc. to be conducted. This individual will be the only charity representative allowed to drive the Bronco.
- This will be a **Borrowed Car Agreement (BCA)** and should be viewed like renting a car, without having to pay a rental fee. The individual picking up and dropping off the vehicle will assume all financial liability for the vehicle.
- The Bronco must be returned **with a full tank of fuel**. In addition, a pre-pickup and post-drop off inspection, with video, will be conducted for every Charity, both prior to and when dropping off the Bronco. In addition, please do **NOT** wash the Bronco! The Click Team will take care of tidying it up for the next event.
- There will be a strict limit of **50 miles, round-trip**, for each event as defined from **Jim Click Ford, 6244 E. 22nd Street, Tucson.**

- If you need to keep the Bronco overnight (i.e. if you have a Sunday event, you will need to pick it up Saturday afternoon), **you must provide the address/location of where the Bronco will be that night. This will also count toward overall mileage.**
 - Pets, food, beverages, smoking, or vaping are **NOT** permitted inside the vehicle.
 - No off-road operation is allowed, the vehicle is only authorized to be operated on paved roads. **The driver is responsible for following all applicable traffic laws.**
 - **Any violation of the rules will result in the elimination of future use of the vehicle for the participating charity.**
 - If your event location exceeds the 50-mile limit, please do not request the Bronco or choose a closer location.
 - The Bronco will be made available for one event per day **ONLY**.
 - The Jim Click Ford office is closed on Sundays; if your event is on a Sunday, you will need to pick up the Bronco late on Saturday and return it early on Monday. Office hours are Monday through Saturday, 8:00 am to 5:00 pm.
 - Requests must be made at least five days in advance. Requests are reviewed on a first come first serve basis.
 - The Charity must not allow test drives at the event or extend driving privileges to any person other than the authorized Charity representative.
 - Once you fill out and return this form to the Raffle Management Office, you will receive an email notification of receipt. A subsequent email will notify you that your request has either been granted, needs modification, or has been denied.
-
