

Kia Carnival Hybrid SX Prestige Request Form

Please note: *This form must be completed by the individual picking up the 2025 Grand Prize Vehicle (the Kia Carnival) and returned to the Jim Click Millions for Tucson Raffle Management Office.*

This year, the Jim Click Automotive Team is making the Kia Carnival available to participating Charities for events to maximize ticket sales. **The pick-up location for the Kia Carnival is different this year so please read the following carefully before filling out and returning this form.**

Kia Carnival Rules

- Any participating Charity can request the Kia Carnival for **one** event during this year's raffle.
- The Kia Carnival must be picked up and returned by a Charity representative.
- The individual requesting the Kia Carnival **must be** the individual picking up and returning the Kia Carnival. No exceptions. It will not be delivered by the Jim Click Automotive Team.
- That individual must provide proof of valid insurance **AND** a valid Arizona driver's license. That individual **must arrive at least one hour prior** to when the Kia Carnival will be driven off the lot for background checks on insurance, video walk-around, etc. to be conducted. This individual will be the only charity representative allowed to drive the Kia Carnival.
- This will be a **Borrowed Car Agreement (BCA)** and should be viewed like renting a car, without having to pay a rental fee. The individual picking up and dropping off the vehicle will assume all financial liability for the vehicle.
- The Kia Carnival must be returned **with a full tank of fuel**. In addition, a pre-pickup and post-drop off inspection, with video, will be conducted for every Charity, both prior to and when dropping off the Kia Carnival. In addition, **please do NOT wash** the Kia Carnival! The Click Team will take care of tidying it up for the next event.
- There will be a strict limit of **50 miles, round-trip**, for each event as defined from **Jim Click Nissan, 800 W. Auto Mall, Tucson** where the Kia Carnival will be located.

- If you need to keep the Kia Carnival overnight (i.e. if you have a Sunday event, you will need to pick it up Saturday afternoon), **you must provide the address/location of where the Kia Carnival will be that night. This will also count toward overall mileage.**
 - Pets, food, beverages, smoking, or vaping are **NOT** permitted inside the vehicle.
 - No off-road operation is allowed and the vehicle is only authorized to be operated on paved roads. **The driver is responsible for following all applicable traffic laws.**
 - **Any violation of the rules will result in the elimination of future use of the vehicle for the participating charity.**
 - If your event location exceeds the 50-mile limit, please do not request the Kia Carnival or choose a closer location.
 - The Kia Carnival will be made available for one event per day **ONLY**.
 - The Jim Click Nissan office is closed on Sundays; if your event is on a Sunday, you will need to pick up the Kia Carnival late on Saturday and return it early on Monday. Office hours are Monday through Saturday, 8:00 am to 3:00 pm **and by appointment only.**
 - **Requests must be made at least five days in advance.** Requests are reviewed on a first come first serve basis.
 - The Charity must not allow test drives at the event or extend driving privileges to any person other than the authorized Charity representative.
 - Once you fill out and return this form to the Raffle Management Office, you will receive an email notification of receipt. A subsequent email will notify you that your request has either been granted, needs modification, or has been denied. **If approved, you will receive instructions on the next steps, along with contact information for the Jim Click Automotive Team.**
